## The first time I went to preschool

I was going to preschool I was three. My sisters were going to school me it was so scard. I went to school I was scard to talk. Then we were going home I like it it was fun.

The next day I was doing some clay. I made my family. I looked at it looked odd then I was missing so I did myself. I was different so I did myself again. The next day I had a black eye. I could not see because they wrote me get better card. That had a black eye on it I just about cried so we had I went to tell them about my eye I did. I was at my Aunt's house and I was going to my cousins and she gave me a present and I was at her house it was very odd so I unrapped it. So I was so totally happy to be at my Aunt's house.
